## About Your Miller's Sport Fishing Charter on Lake St. Clair

Miller's Sportfishing, Inc. has gained recognition from being one of the most respected and successful fishing charters on Lake St. Clair. Captain Don Miller is known throughout the industry, and uses state-of-the-art equipment, technology, and over 30 years of experience to achieve results.

The Muskie Hunter is a 30' BAHA Cruiser Sportfisherman guided by Captain Miller, who has acquired his considerable knowledge of muskies and their seasonal movements from years of fishing on Lake St. Clair. Everything for a day's fishing is on board and ready for you to use, from the custom-built fishing rods to the hottest fishing lures in Captain Don's private stash. There is a spacious deck, dinette, and enclosed bathroom for your comfort and convenience.

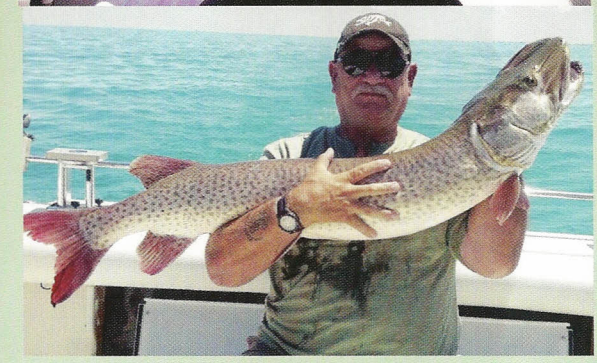

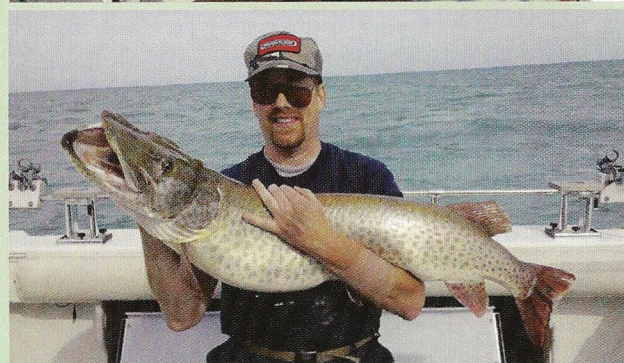

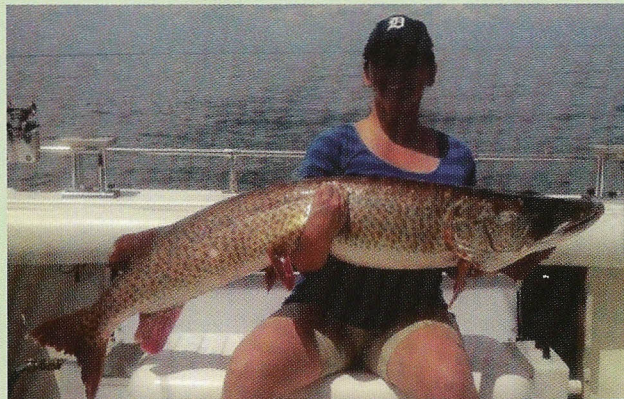

Customers are proactively involved in the day's outing while on board—choosing lures, cycling lines, and, of course, reeling in the big ones. Everything (except your fishing license) is included in the charter fee. All you need to bring is your lunch and whatever you wish to drink (see reverse side for details, rates, and schedule).
