Miller's Sportfishing is located within the Nautical Mile on Jefferson Avenue between Nine Mile and Ten Mile Roads. The launch point for all trips is Island Harbor Marina, 24102 Jefferson Ave, St Clair Shores, MI 48080. We are less than a one-hour drive from most Detroit suburbs. You can expect some of the finest angling action that anyone could experience on the world-renowned and beautiful Lake St. Clair, with its bragging-size Muskies and quality Walleye production. *All muskies are catch and release.*

- From west or south of Detroit . . .

Take I-94 eastbound to the 9 Mile Road exit, and get off at the ramp. When you reach the top of the hill, turn right on 9 Mile Road. Proceed approximately one mile to Jefferson Avenue. Turn left at Jefferson and go 1/4 mile. You will pass Harbor 9 and Captain Jack's Bar & Grill. Then turn right at the Island Harbor sign. Proceed past an old farmhouse on the left, and go through the old shipyard until you reach a gate in front of an orange pole barn. Call Captain Don (cell 734-395-8820) to receive an escort to well #541.
